SCHOOL DAYS SERIES

# A Different Teacher Today

---

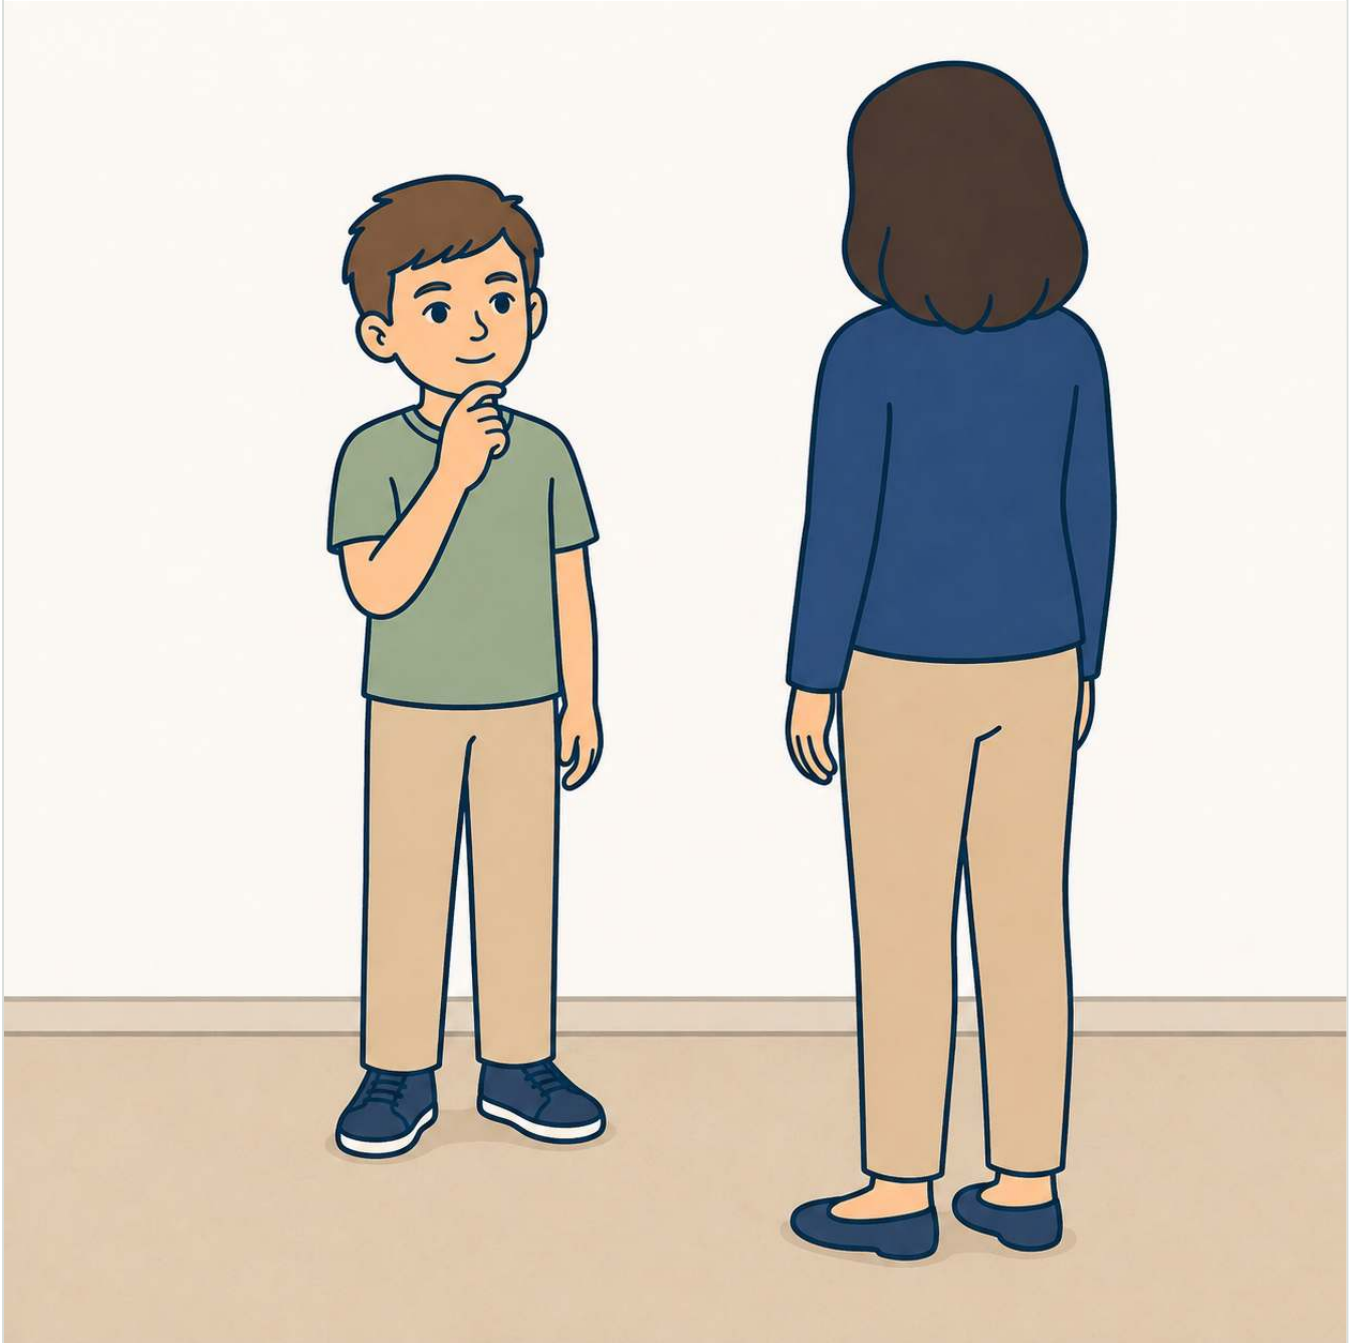

Sometimes Ms Taylor is away for the day. A different grown-up helps our class instead. This grown-up is called a relief teacher.

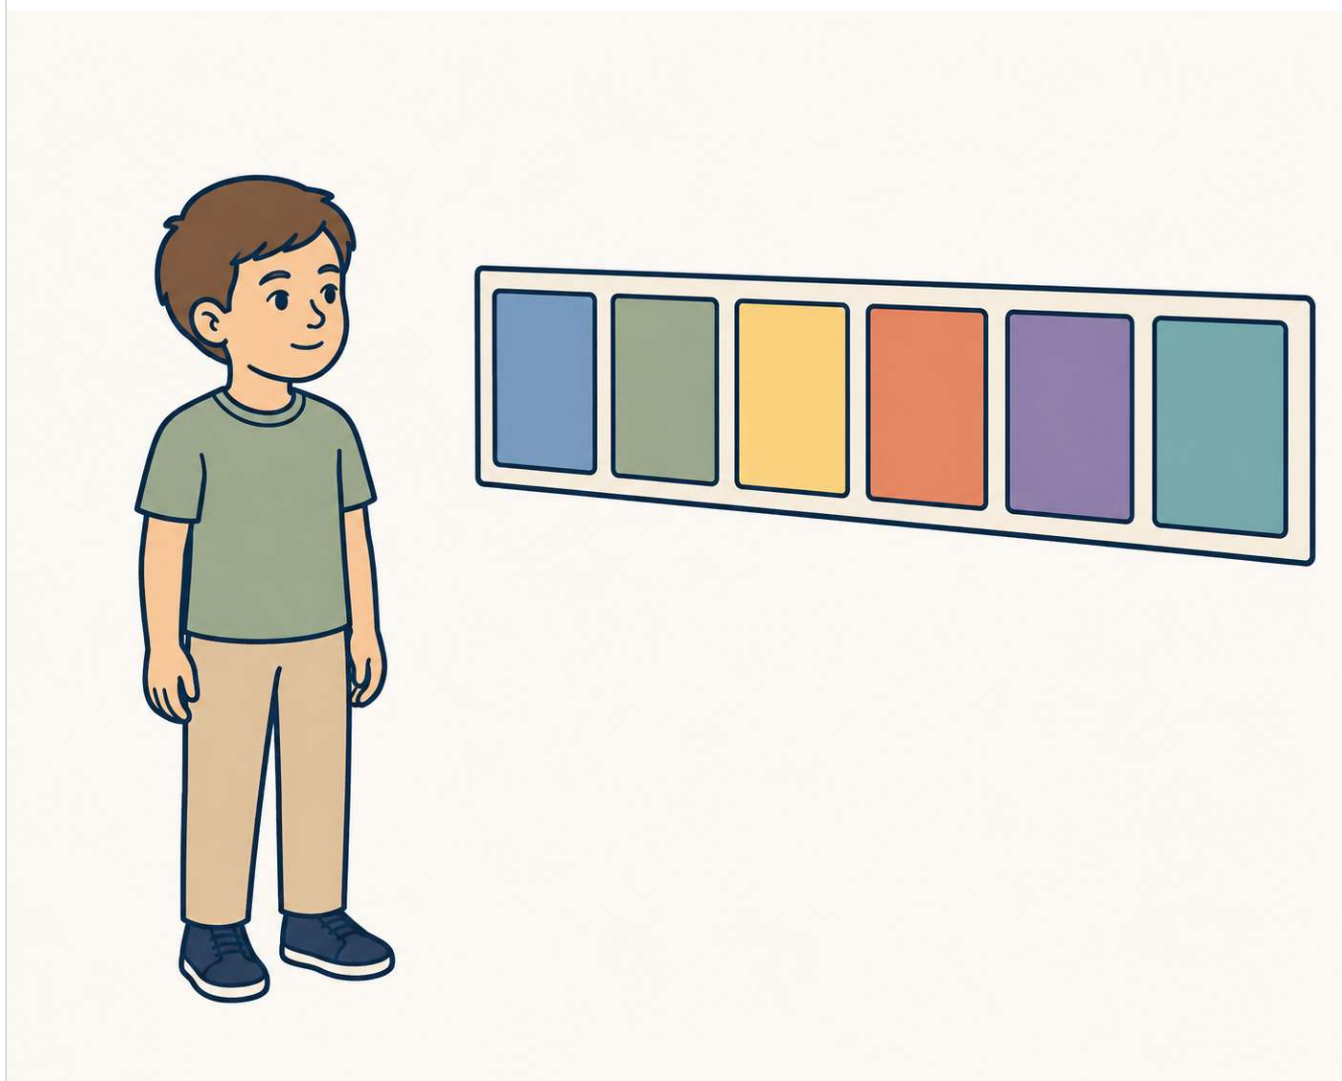

My desk stays the same. Recess and lunch are still at the same time.

A relief teacher might do things a little differently to Ms Taylor. That's okay. It's normal, not a mistake.

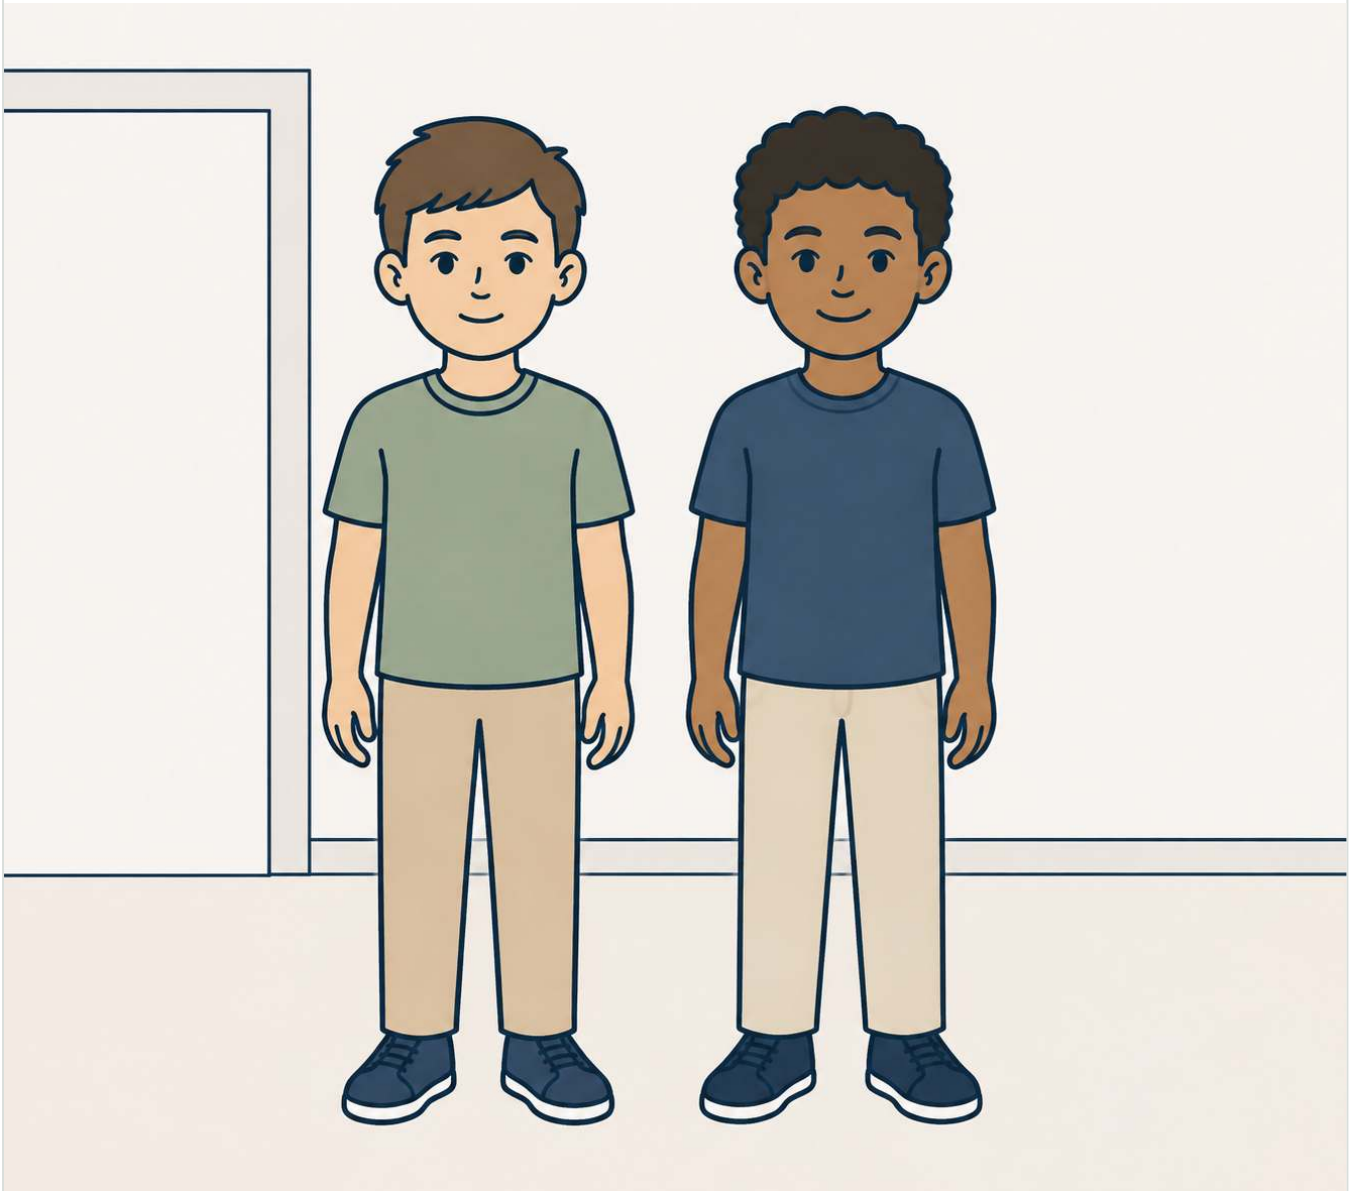

I might not know the relief teacher's name yet.  
That's okay. I can ask, or Jordan might know.

Here's what today looks like.

If I need a break, I can go to the quiet corner.  
That's okay today too.

Jordan is still at school. Mr Tran is at the office too.

If today feels too hard, I can go to the office. I can ask for help there. That's okay to do.

Ms Taylor will be back soon. Today can still be a good day.
